

Youth Prolonging

The matrix rescuer

XTEND

XTEND is an innovative elixir dedicated to **skin cell** and **extracellular matrix protection** and **recovery**.

Thanks to a pool of **powerful natural extracts** with **enhanced skin bioavailability**, XTEND evidenced citoprotective activity on human keratynocytes and an **overall improvement of skin health parameters**.

XTEND **prolongs skin health** by **enhancing its self-defense** from internal and external aggressions.

DESCRIPTION

Modern life style and environmental stress affect both body and skin balance. Protection and prevention are the most effective ways to maintain skin health and slow down the aging process.

XTEND supports the skin with the ability to **protect itself** from the causes of aging. It is a plant origin active ingredient with **rejuvenating** and **protective properties** (**Kudzu** and **Cat's Claw**); it contributes to the **prevention of dermis degradation** and to the **improvement of the skin natural defences** under daily stress conditions.
